# ➤ Support Programs

## Euro-IX – Self Help Society

- Forums; Bring together over 40 IXPs for two days to share ideas & experience's to help sustain & grow their IXPs.
- Communication; Members get support & share knowledge via the mailing lists & news letters.
- Exchange programs; Staff exchange at other IXPs provides an opportunity to learn how operations are done at other IXPs.

# ➤ Support Programs

## Euro-IX – Self Help Society

- Benchmarking Club; BMC runs once a year and is growing, 42 participants in 2014.
- Fellowship Program – New funding program; contribution is by members to support members & emerging IXPs attend Euro-IX forums.
- Twinning Program – Structured support program, Members support newly established or emerging IXPs to become self sustained.
